

Onya Food Pte Ltd

Authentic Nyonya Paste

O'nya Pastes is a tribute from a son to his ma who has patiently imparted her lifelong culinary knowledge. We produce signature Peranakan pastes following family recipes dating back more than a century, across 4 generations, but perfected and simplified to suit today's fast-paced life. It is our wish that today, tomorrow, and our children's children can easily prepare heart-warming, authentic dishes so that families and friends can gather to enjoy and celebrate these exciting nostalgic flavours.
