

Udders Pte Ltd

Wacky Good

Udders Ice Cream began on a whim and a dream, in a small home kitchen, when a chemistry teacher decided to ditch his books for the magical world of ice cream. Today, it is Singapore's most renowned ice cream brand, available in 7 countries (Singapore, China, Indonesia, Philippines, Malaysia, United Kingdom and The Netherlands) and served on 5 airlines, including Singapore Airlines, Japan Airlines and Jetstar.

Drawing inspiration from the melting pot of cultures that is Singapore, Udders offers truly authentic Asian flavours, such as its irresistibly strong Emperor Mao Shan Wang Durian (Musang King Durian) and RumRum Raisin with 4% alcohol content.
